

RETURN FORM DEALER

Pay attention! Incomplete forms will not be processed.

Company name:

Customer no:

First name:

Surname:

Fill in this form clearly and completely and add it to the package, only then will a return be processed.

We only accept returns if it is a defect. Please note, if you find out after installation that a part has been delivered defective and you have had to make adjustments to the part, unfortunately it is not possible to return the part. In addition, the right of withdrawal is not applicable for business customers. Also take our warranty period into account (see our warranty page).

Is the part really defective? Return it in the original packaging, making sure that the part is returned unused, including films, without adhesive residue, sufficiently stamped.
